

Before the Flood

This film was originally shown for free on the National Geographic Channel when it first came out in October, but it is no longer showing there for free. You can go to that channel to see the trailer preview at:

<http://channel.nationalgeographic.com/before-the-flood/videos/before-the-flood-trailer/>

There are also a lot of clips from the film there, if you want to refresh your memory about certain facts and scenes from the film.

There are several options to see the whole film, all for a fee. See “Screenings” under the [Before the Flood](#) official movie site. Here are some of those links for watching it on your home TV or computer:

- See it on [YouTube](#) for \$2.99 rental
- See it on [googleplay](#) \$2.99 to rent or \$9.99 to buy
- purchase it on [iTunes from Apple](#) for \$9.99
- [rent or purchase a download from Amazon](#) for prices ranging from \$2.99 to \$9.99
- purchase a [DVD from Amazon](#) for \$14.95
